### Health Policy:

- \_\_\_\_\_ I understand that if my dog has active diarrhea 48hours before scheduled ride they cannot participate until a solid bowel movement has been made.
- \_\_\_\_\_ If my dog requires more than a 24 hour hold I will need a health certificate from their vet before the next scheduled ride (a total of 72 hours to recuperate).
- \_\_\_\_\_ I understand that if my dog has diarrhea while on an adventure walk, I will be notified and my dog must wait a minimum of 72 hours and have a solid bowel movement before the next ride.
- \_\_\_\_\_ I understand that if my dog has diarrhea while being transported on the bus there will be a cleaning and sanitation fee (fees depend on the severity of damage), notification and a 72 hour hold.
- \_\_\_\_\_ I understand that if my dog has active diarrhea while in The Bark Bus care will be transported back to the bus stop until they can be picked up or delivered to their home immediately.

*Note: Reasons for diarrhea can vary. Since Health and safety is our top priority, we want to minimize the risk of contamination from bacterial and viral strains found in feces. Bacterial and viral strains last more than 48 hours which is why we ask to wait a total of 72hours to be sure everyone is safe and healthy. If we notice that your dog has frequent loose bowel movements and or diarrhea we will consult on the best course of action for your dog (i.e., diet change, decrease stress at home, eliminate irritants such as air fresheners, etc.).*

- \_\_\_\_\_ I understand that if my dog is unaltered, bitches in heat will need to reschedule until the heat has passed. If my bitch goes into heat while on the bus, I will be notified, and my dog will be dropped off at the bus stop or will be delivered home immediately. *Note: We do not want any unwanted pregnancies on our watch since more often than not there are more intact males that frequent the park scene.*
